Since 1998

Интермодальные железнодорожные грузовые перевозки включают сочетание грузовых перевозок железнодорожным и автомобильным транспортом.

Практически всегда железнодорожные перевозки нуждаются в помощи грузовика.

Грузовик доставит груз от железнодорожного узла до конечного пункта назначения.

Вам нужны грузовые перевозки на большие расстояния, опасные материалы или очень тяжелые предметы

Доставка поездом предлагает огромную экономию по сравнению с традиционной доставкой грузовым транспортом.

Не говоря уже о том, что это лучше для окружающей среды!
