- **FCL** (Full Container Load) - A shipping method where the customer has exclusive use of an entire container. It is suitable for large quantities of goods. The customer is responsible for loading and unloading the goods. FCL is generally more expensive than LCL but offers faster transit times and less handling.
- **LCL** (Less than Container Load) - A shipping method where the customer's goods share space in a container with other cargo. It is suitable for smaller quantities of goods. The shipping company is responsible for loading and unloading the goods. LCL is generally less expensive than FCL but offers slower transit times and more handling.

From Guangzhou to Davao Philippines fiberglass goo...

★★★★★

My parcel arrived earlier than expected here in Davao City, Philippines. Mr. Alex was very accommodating. He is very patient in answering queries and assisted me very well all throughout the process. Working with him and the company was a great experience and will definitely work with them again.
