STORY BETWEEN CUSTOMER & SUNNY

My name is Alex, my American customer, Jude had different **requirements for the**

timeliness of goods and service quality, making him constantly change forwarders, but he has only had a stable agent in China since he started working with me.

[Sunny Worldwide Logistics](#) left Jude with the impression of being responsible, caring, and paying attention to details. It is such a small thing that has established a sufficient bridge of trust in the heart of my American customer.
